Principal Message

What a great Fall we have been having, the crispness in the morning with the warmth in the afternoon, fantastic.

I'm very proud of the students and staff at the school. They have approached 2021 school year with positivity and desire to support each other.

Winter weather will be coming soon, ensure that your children have the appropriate clothing at school to go outside. We'll be outside the majority of days...even in drizzle.

Please login into School Cash Net. This is where we have all our permission forms, etc. You'll receive an email notice if there are forms for your child's class (ie: field trip form)

The wonderful staff here at Crestview has continued to make this year a great one for the students. The Superhero's here at the school came through to make a super Halloween day at the school.

School Council is starting up again. If interested, please join us. Information is located later in the Newsletter.

As always, if you have any questions or concerns feel free to contact your child's teacher or the office. We are here to meet your child's needs.
